All-in-One Self-Ordering

This all-in-one kiosk is designed for the fast food sector but can also be used in a range of retail spaces providing a PCAP touch screen, QR Code scanner, printer in one solution. There is also space to integrate a payment reader.
All-Metal Construction: Made with heavy-gauge steel for impact-resistant, long-lasting performance in demanding settings.
Flexible Setup: Choose from freestanding, countertop, or wall-mounting options—easy to install and adapt to any space.

High-Performance Touch & Display

10-Point PCAP Touch: A high-quality capacitive touchscreen delivers fluid, responsive interaction for an intuitive user experience.
Full HD Clarity: 1920x1080 resolution ensures sharp, vibrant displays of menus, images, and promotional content.
Industrial-Grade Reliability: Built with an industrial-grade motherboard designed for stable 24/7 operation in high-demand environments.

Integrated Scanning & Printing

High-Speed 80mm Thermal Printer: Generates receipts and promotional vouchers instantly, with a service-friendly design for easy maintenance.
Versatile Code Scanner: Reads both barcodes and QR codes to process special offers and facilitate quick order placement.
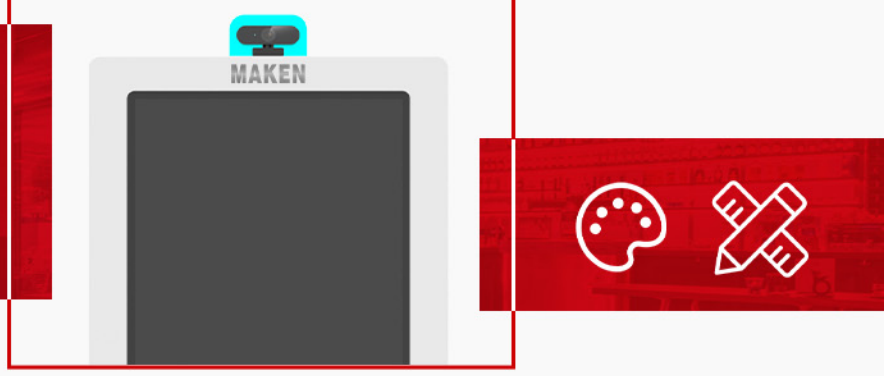

Front-open door

Easy roll replace
